ANALYSIS: (Attach a separate page if necessary)

SB 104 defines misrepresentation of permanent fund dividend eligibility and authorizes a class C felony penalty for misrepresenting permanent fund eligibility. Current Title 11 provisions for forgery only cover the forging of financial instruments and therefore do not cover PFD application documents.

The bill also authorizes an investigation unit in the Department of Revenue to detect and investigate fraud in the permanent fund dividend program and to assist the Department of Law in the prosecution of such individuals. Although the department has administratively established an investigation unit, statutory designation is required for access to certain federal data bases (NCIC and NLETS). These data bases would facilitate more efficient and effective investigation of PFD crimes, especially those perpetrated by individuals living out of state.
