Temporary						

ANALYSIS: (Attach a separate page if necessary)

This bill amends AS 11.41 by adding a new section makes it a class C Felony for a person 18 years of age or older to use a computer to communicate with another person to entice, solicit, or encourage the person to engage in acts described as unlawful exploitation of a minor as spelled out in AS 11.41.455(a)(1) - (7). The bill defines a minor as a person under 16 years of age, or whom the perpetrator believed was under 16 years of age at the time. The bill raises the offense to a class B felony if the defendant was, at the time of the offense, required to register as a sex offender or child kidnapper.

The Department of Law does not anticipate many cases will be prosecuted as a result of passage of this legislation and estimate no fiscal impact as a result.
