**ANALYSIS:** (Attach a separate page if necessary)

This bill adds a new section that will prohibit a person (18 years or older) from knowingly using a computer to communicate with another person to entice, solicit, or encourage sexual conduct described in AS 11.41.455, unlawful exploitation of a minor. The bill specifies that the other person is a child under 16 years of age, but allows for a prosecution of a person who believes the other person is a child under 16 years of age when they are not actually a child under 16 years of age. The bill specifies that a violation under this new section is a class C Felony unless the person committing the offense is at the time a person required to be a registered sex offender or child kidnapper, a violation would then be a class B Felony.

Passage of this bill will have no fiscal impact on the Department of Public Safety.
