ANALYSIS: (Attach a separate page if necessary)

This bill adds a new section that will prohibit a person from distributing by computer or similar device, material that depicts sexual acts described in AS 11.41.455, to a person who the offender believes is under 16 years of age. It is not a defense in this crime that the victim was not actually under 16 years of age. The bill specifies that a violation under this new section is a class C Felony unless the person committing the offense is at the time a person required to be a registered sex offender or child kidnapper which would then raise the penalty to a class B Felony.

Passage of this bill will have no fiscal impact on the Department of Public Safety.
