**ANALYSIS:** (Attach a separate page if necessary)

Passage of this bill will not have a fiscal impact on the Division of the Alaska State Troopers (AST) within the Department of Public Safety.

This committee substitute requires the Alaska Police Standards Council (APSC) to adopt regulations setting minimum standards for conducting criminal investigations. It also requires APSC to investigate complaints that police officers violated the criminal investigation standards and determines if the officers certification should be suspended, revoked, or if they may require additional training.
