ANALYSIS: (Attach a separate page if necessary)

This act increases the periodic presumptive sentencing ranges for a certain sex offense; this includes a 99-year mandatory penalty for individuals with two prior sex felony convictions. This bill also requires individuals convicted of sex offenses to submit to a polygraph examination.

Due to the penalty increases, this bill will likely result in pressures that tend to increase criminal trials and increase the work necessary to prepare a case for trial or plea negotiation, thus putting an upward pressure on our case costs. The increased pressure, however, is indeterminate but may be mitigated by factors external to the Public Defender Agency, such as an offsetting plea bargaining policy. The Public Defender Agency, therefore, submits an indeterminate fiscal note.
