POSITIONS

Full-time						
Part-time						
Temporary						

ANALYSIS: (Attach a separate page if necessary)

Maintenance and operations staff estimate the cost for materials for re-signing a designated corridor to be \$5,000 per corridor. This includes new signs for each end of the corridor alerting the driving public that they are entering a double fine safety corridor, and replacement signs for the speed limit signs throughout the corridor, which would include the double fine notice. Installation costs, including personnel and equipment, would be absorbed within existing M&O budgets.
