ANALYSIS: (Attach a separate page if necessary)

This bill will allow a very special license plate to be designed and offered as the 'Standard Issue' license plate for the years 2007 - 2009 in recognition of the State of Alaska's 50th anniversary celebration.

As our plate usage has historically increased each time a new style or design is introduced, we are requesting funding to purchase inventory in anticipation of additional use.

In January 2010 the DMV will revert back to issuing "The Last Frontier" plate.
