ANALYSIS: (Attach a separate page if necessary)

Passage of this legislation provides the statutory authority to the Department of Corrections to continue providing inmate work and training programs without interruption. Legislation that created the Alaska Correctional Industries program and commission sunset on July 1, 2005. This bill provides retroactive clauses for the non-coverage of AS 23.30 (Alaska Workers' Compensation Act) and for transition of the Alaska Correctional Industries Fund to program receipts under AS 37.05.146(c)(81). It also provides the program the statutory authority to participate in federal Prison Industry Enhancement (PIE) programs and to actively participate and partner with private enterprise. This legislation will allow the department to make a deduction from the offenders' wages to apply to the cost of confinement. These receipts will support the prison employment program.
