**ANALYSIS:** (Attach a separate page if necessary)

This legislation increases the amount a pawnbroker can keep for profits when selling property bought or received in pledge and not redeemed within 30 days after the date of mailing notice. It ties the allowable amount they can keep without sharing with the customers, to a section in the Alaska Small Loans Act which exempts pawnbrokers from the that act for loan up to \$500. This legislation does not impact the operations of the division.
