ANALYSIS: (Attach a separate page if necessary)

This bill repeals and reenacts AS 43.82.430 (c) of the Alaska Stranded Gas Development Act in order to clarify the legislature's role as the entity that authorizes execution of a contract proposed by the Commissioner of Revenue under the Alaska Stranded Gas Development Act. The change would make clear that, except for claims based on the U.S. or Alaska constitutions, the commissioner's findings and determination with respect to a proposed contract are not judicially reviewable.
