ANALYSIS: (Attach a separate page if necessary)

This bill amends the Alaska Stranded Gas Development Act (AS 43.82) (SGDA) to increase the time period allowed for the Commissioner of Revenue to prepare a summary of public comments, suggest amendments to a preliminary contract and make the final fiscal interest findings and determination from 30 days to 120 days.

Funding for negotiations under the SGDA has been previously provided and no additional funding is required as a result of this legislation.
