ANALYSIS: (Attach a separate page if necessary)

This resolution encourages the RCA to expeditiously resolve an already pending matter. The RCA is already involved in an expedited briefing schedule in order to obtain a sufficient record to determine whether CIGGS should be regulated by the RCA under AS 42.05 or AS 42.06. The RCA established the expedited schedule in its March 7, 2005 Order which consists of six questions that the RCA needs briefed by the parties before reaching its decision.

No fiscal impact on the operations of the RCA is anticipated as a result of this resolution.
