ANALYSIS: (Attach a separate page if necessary)

SCR 28 allows local school districts to apply for grants available under AS 14.14.115 as a means of installing educational technology.

The Department of Education & Early Development has determined that a zero fiscal note is warranted for SCR 28. If districts apply for grants under AS 14.14.115 the department will include the request in the subsequent year's budget for legislative consideration.
