With deepest respect for the religious beliefs of all Alaskans, we offer the following prayer:

Creator God, Creator of this great land and all that is good, we pray that the gift of Your creativity can so infuse this body that problems can be experienced as opportunities, challenges as successes, differences among us as enrichments.

We pray that these representatives can so work together that they raise public expectations of how legislative tasks can be done well.

Especially when the members and their staffs are tired and stressed, help them listen to and speak the truth with care, strength, courage, and compassion, remembering that we all love Alaska. Amen.

The Pledge of Allegiance was led by Representative Coghill.

Under the authority of article III, section 18, of the Alaska Constitution, I am transmitting a bill making an appropriation of \$4,000,000 from the general fund to study the feasibility of a spur line from a gas pipeline in this state.

Alaskans are saying that more readily available gas, at more reasonable prices, is essential for economic development in this state. This appropriation will facilitate research regarding a spur line from a gas pipeline, and will provide options for policy makers in this state to increase in-state delivery of gas.

I urge your prompt and favorable consideration of this bill.

Sincerely yours,  
/s/  
Frank H. Murkowski
