

AMENDMENT

#4

Offered in: House Finance  
To: HCSCSSB 53 (FIN)

By: Representative Guttenberg

Agency: University of Alaska

**Project:**

BioSciences Facility

**Amount:** \$12,500,000

**Funding Source:** GF

**Explanation:**

The BioSciences Facility is the Board of Regents' highest priority for new construction. This critical facility will replace aging labs and science infrastructure, allowing the university to continue to compete for federal research dollars. This major teaching and research facility will have a significant impact on both undergraduate and graduate students as well as provide urgently needed research facilities.

The total cost of the project is estimated to be \$105 million. \$12.5 million will provide for planning and design, utilidor construction and heating capacity expansion in preparation for the facility.
