

AMENDMENT #11

SB 196 version N

Offered by Representative Gruenberg & Ramras

Add a new section on page 6 following line 15

(k) To assist in fulfilling the program responsibilities, performance measures shall be reported to the legislature annually. Performance measures may include outcomes detailed in the federal prescription drug monitoring program grant regarding efforts to;

- (1) reduce the rate of inappropriate use of prescription drugs by reporting education efforts conducted by the Board of Pharmacy;
- (2) reduce the quantity of pharmaceutical controlled substances obtained by individuals attempting to engage in fraud and deceit;
- (3) increase coordination among prescription drug monitoring program partners; and
- (4) involve stakeholders in the planning process.

Renumber remaining sections.
