

AMENDMENT # 10

Offered in: Senate
By: Senator Fred Dyson
To: CSSB 221(FIN) (Version 25-GS2007\O)

Agency: Department of Commerce, Community and Economic Development

Grants to Municipalities

Project: Anchorage – Glenn Highway/Eagle Glen Subdivision Area Drainage

Amount: \$550,000

Funding Source: General Fund

Explanation:

This is the number 2 priority for House Districts 17 & 18, and Senate District I.

The project will construct storm drain improvements primarily in the Glenn Highway right-of-way between Artillery Road and North Eagle River Exit to prevent homes from flooding in the Eagle Glen Subdivision.

Significant glaciation and inadequate drainage has created flooding in the ditches and storm drains, which in turn have flooded homes in this area during most spring thaws for the past several years.
