3 medical assistance that has been approved by the United States Department of Health and  
 4 Human Services. This statement is a statement of the purpose of the appropriation and is  
 5 neither merely descriptive language nor a statement of legislative intent.

6 It is the intent of the legislature that the Department continues to aggressively pursue  
 7 Medicaid cost containment initiatives. Efforts should continue where the Department  
 8 believes additional cost containment is possible including further efforts to contain travel  
 9 expenses. The Department must continue efforts imposing regulations controlling and  
 10 materially reducing the cost of Personal Care Attendant (PCA) services. Efforts must be  
 11 continued utilizing existing resources to impose regulations screening applicants for  
 12 Residential Psychiatric Treatment Center (RPTC) services, especially for out-of-state  
 13 services. The department must address the entire matrix of optional Medicaid services,  
 14 reimbursement rates and eligibility requirements that are the basis of the Medicaid growth  
 15 algorithm. This work is to utilize the results of the Medicaid Assessment and Planning  
 16 analysis. The legislature requests that by January 2009 the Department be prepared to present  
 17 projections of future Medicaid funding requirements under our existing statute and regulations  
 18 and be prepared to present and evaluate the consequences of viable policy alternatives that  
 19 could be implemented to lower growth rates and reducing projections of future costs.

20 It is the intent of the legislature that the department continues to evaluate (and, where  
 21 possible, proceed to incorporate) an asset test in Denali KidCare and other Child Care  
 22 Benefits programs' eligibility criteria that includes the value of assets leased and not owned by  
 23 the applicant. The department should report to the legislature, no later than January 20, 2009,  
 24 possible asset test structures, their projected consequences on program participants and any  
 25 necessary changes to statute, regulation or Alaska's Medicaid State Plan. The report should  
 26 identify any federal restrictions on asset tests and any potential consequence of an asset test  
 27 on the availability of federal funding.

28 **Alaska Pioneer Homes** **41,264,200**    **18,062,200**    **23,202,000**

29 It is the intent of the legislature that the Department maintain regulations requiring all  
 30 residents of the Pioneer Homes to apply for all appropriate benefit programs prior to a state  
 31 subsidy being provided for their care from the State Payment Assistance program.

32 It is the intent of the legislature that all pioneers' homes and veterans' homes applicants shall  
 33 complete any forms to determine eligibility for supplemental program funding, such as

20	procedures surrounding the awarding of recurring grants to assure that applicants are regularly		
21	evaluated on their performance in achieving outcomes consistent with the expectations and		
22	missions of the Department related to their specific grant. The recipient's specific		
23	performance should be measured and incorporated into the decision whether to continue

25	fair, recognizing and compensating for differences among grant recipients including acuity of		
26	services provided, client base, geographic location and other factors necessary and appropriate		
27	to reconcile and compare grant recipient performances across the array of providers and
