3 respect to the applicant.

4 (c) A nonrefundable application fee and a license fee must accompany an
5 application for a money transmission license. The license fee shall be refunded if the
6 application is denied.

7 (d) The department may waive a requirement of (a) and (b) of this section or
8 permit an applicant to submit other information instead of the required information.

9 (e) In this section,

10 (1) "material litigation" means litigation that, according to generally
11 accepted accounting principles, is significant to an applicant's or a money transmission
12 licensee's financial health and would be required to be disclosed in the applicant's or
13 money transmission licensee's annual audited financial statements, report to
14 shareholders, or similar records;

15 (2) "money transmission licensee" does not include an approval under
16 AS 06.55.103.

17 **Sec. 06.55.103. Approval to engage in money transmission when licensed**
18 **in another state.** (a) A person who is licensed to engage in money transmission in at
19 least one other state, with the approval of the department and under this section, may
20 engage in money transmission, currency exchange, or both money transmission and
21 currency exchange in this state without being licensed under AS 06.55.102 if

22 (1) the state in which the person is licensed has enacted the Uniform
23 Money Services Act or the department determines that the money transmission laws of
24 the state in which the person is licensed are substantially similar to those imposed by
25 this chapter;

26 (2) the person submits to, and in the form required by, the department

27 (A) in a record, an application for approval to engage in money
28 transmission, currency exchange, or both money transmission and currency
29 exchange in this state without being licensed under AS 06.55.102;

30 (B) a nonrefundable application fee;

31 (C) a fee for the first year of operating with the approval given

1 under this section; this fee shall be refunded if the application is denied; and

2 (D) a certification of license history in the other state.

3 (b) Before granting a person approval under this section to engage in money
4 transmission, currency exchange, or both money transmission and currency exchange
5 in this state, the department shall make findings and conclusions as required by
6 regulation.

7 (c) When an application for approval under this section is complete, the
8 department shall promptly notify the applicant, in a record, of the date on which the
9 request was determined to be complete, and

10 (1) the department shall approve or deny the request within 120 days
11 after that date; or

12 (2) if the request is not approved or denied within 120 days after that
13 date,

14 (A) the request is approved; and

15 (B) the approval takes effect as of the first business day after
16 expiration of the 120-day period.

17 **Sec. 06.55.104. Security.** (a) Except as otherwise provided in (b) of this
18 section, a surety bond, a letter of credit, or another similar security acceptable to the
19 department in the amount of \$25,000 plus \$5,000 for each location, not exceeding a
20 total addition of \$125,000, must accompany an application for a money transmission
21 license.

22 (b) Security must be in a form satisfactory to the department and payable to
23 the state for the benefit of a claimant against the money transmission licensee to
24 secure the faithful performance of the obligations of the money transmission licensee
25 with respect to money transmission.

26 (c) The aggregate liability on a surety bond may not exceed the principal sum
27 of the bond. A claimant against a money transmission licensee may maintain an action
28 on the bond, or the department may maintain an action on behalf of the claimant.

29 (d) A surety bond must cover claims for as long as the department specifies,
30 but for at least five years after the money transmission licensee ceases to provide
31 money services in this state. However, the department may permit the amount of

1 security to be reduced or eliminated before the expiration of that time to the extent the
2 amount of the money transmission licensee's payment instruments or stored-value
3 obligations outstanding in this state is reduced. The department may permit a money
4 transmission licensee to substitute another form of security acceptable to the
5 department for the security effective at the time the money transmission licensee
6 ceases to provide money services in this state.

7 (e) Instead of the security prescribed in this section, an applicant for a money
8 transmission license or a money transmission licensee may provide security in a form
9 prescribed by the department.

10 (f) The department may increase the amount of security required to a
11 maximum of \$500,000 if the financial condition of a money transmission licensee
12 requires the increase, as evidenced by reduction of net worth, financial losses, or other
13 relevant criteria.

14 **Sec. 06.55.105. Issuance of license.** (a) When an application is filed under
15 AS 06.55.102, the department shall investigate the applicant's financial condition and
16 responsibility, financial and business experience, character, and general fitness. The
17 department may conduct an on-site investigation of the applicant, the reasonable cost
18 of which the applicant shall pay. The department shall issue a license to an applicant
19 under AS 06.55.102 if the department finds that all of the following conditions have
20 been fulfilled:

21 (1) the applicant has complied with AS 06.55.102, 06.55.104, and
22 06.55.107; and

23 (2) the financial condition and responsibility, financial and business
24 experience, character, and general fitness of the applicant, and the competence,
25 experience, character, and general fitness of the executive officers, managers,
26 directors, and persons in control of the applicant indicate that it is in the interest of the
27 public to permit the applicant to engage in money transmission;

28 (b) When an application for an original money transmission license under
29 AS 06.55.102 is complete, the department shall promptly notify the applicant in a
30 record of the date on which the application was determined to be complete, and

31 (1) the department shall approve or deny the application within 120

1 days after that date; or

2 (2) if the application is not approved or denied within 120 days after
3 that date,

4 (A) the application is approved; and

5 (B) the money transmission license takes effect as of the first
6 business day after expiration of the 120-day period.

7 (c) The department may for good cause extend the application period.

8 (d) An applicant whose application under AS 06.55.102 is denied by the
9 department under AS 06.55.101 - 06.55.107 may appeal, within 30 days after receipt
10 of the notice of the denial, and request a hearing.

11 (e) In this section, "money transmission license" does not include an approval
12 under AS 06.55.103.

13 **Sec. 06.55.106. Renewal of license.** (a) A money transmission licensee shall
14 pay an annual renewal fee not later than 30 days before the anniversary of the issuance
15 of the money transmission license or, if the last day is not a business day, on the next
16 business day.

17 (b) A money transmission licensee shall submit a renewal report with the
18 renewal fee, in a form and in a medium prescribed by the department. The renewal
19 report must state or contain

20 (1) a copy of the money transmission licensee's most recent audited
21 annual financial statement or, if the money transmission licensee is a wholly owned
22 subsidiary of another corporation, the most recent audited consolidated annual
23 financial statement of the parent corporation or the money transmission licensee's
24 most recent audited consolidated annual financial statement;

25 (2) the number and monetary amount of payment instruments and
26 stored value sold by the money transmission licensee in this state that have not been
27 included in a renewal report, and the monetary amount of payment instruments and
28 stored value currently outstanding;

29 (3) a description of each material change in information submitted by
30 the money transmission licensee in its original license application that has not been
31 reported to the department on any required report;

1 (4) a list of the money transmission licensee's permissible investments
 2 and a certification that the money transmission licensee continues to maintain
 3 permissible investments according to the requirements set out in AS 06.55.501 and
 4 06.55.502;

5 (5) proof that the money transmission licensee continues to maintain
 6 adequate security as required by AS 06.55.104; and

7 (6) a list of the locations in this state where the money transmission
 8 licensee or an authorized delegate of the money transmission licensee engages in
 9 money transmission or provides other money services.

10 (c) If a money transmission licensee does not file a renewal report or pay its
 11 renewal fee by the renewal date or any extension of time granted by the department,
 12 the department shall send the money transmission licensee a notice of suspension.
 13 Unless the money transmission licensee files the report and pays the renewal fee
 14 before expiration of 10 days after the notice is sent, the money transmission licensee's
 15 license is suspended 10 days after the department sends the notice of suspension. The
 16 suspension shall be lifted if, within 20 days after its money transmission license is
 17 suspended, the money transmission licensee

18 (1) files the report and pays the renewal fee; and

19 (2) pays a late fee for each day after suspension that the department did
 20 not receive the renewal report and the renewal fee.

21 (d) The department for good cause may grant an extension of the renewal date.

22 **Sec. 06.55.107. Net worth.** A money transmission licensee, except a person
 23 holding an approval under AS 06.55.103, shall maintain a net worth of at least \$25,000
 24 determined under generally accepted accounting principles.

25 **Article 2. Currency Exchange Licenses.**

26 **Sec. 06.55.201. License required.** (a) A person may not engage in currency
 27 exchange or advertise, solicit, or hold the person out as providing currency exchange
 28 for which the person receives revenues equal or greater than five percent of total
 29 revenues unless the person

30 (1) holds a currency exchange license;

31 (2) holds a money transmission license; or

1 (3) is an authorized delegate of a person who holds a money
2 transmission license.

3 (b) A currency exchange license is not transferable or assignable.

4 **Sec. 06.55.202. Application for license.** (a) A person applying for a currency
5 exchange license under AS 06.55.201 - 06.55.204 shall apply in a form and in a
6 medium prescribed by the department. The application must state or contain

7 (1) the legal name and residential and business addresses of the
8 applicant if the applicant is an individual or, if the applicant is not an individual, the
9 name of each partner, executive officer, manager, and director;

10 (2) the location of the principal office of the applicant;

11 (3) the complete addresses of other locations in this state where the
12 applicant proposes to engage in currency exchange, including all mobile locations;

13 (4) a description of the source of money and credit to be used by the
14 applicant to engage in currency exchange; and

15 (5) other information the department reasonably requires with respect
16 to the applicant, but not more than the department may require under AS 06.55.101 -
17 06.55.107.

18 (b) A nonrefundable application fee and a currency exchange license fee must
19 accompany an application for a currency exchange license. The currency exchange
20 license fee shall be refunded if the application is denied.

21 **Sec. 06.55.203. Issuance of license.** (a) When an application for a currency
22 exchange license is filed under AS 06.55.201 - 06.55.204, the department shall
23 investigate the applicant's financial condition and responsibility, financial and business
24 experience, character, and general fitness. The department may conduct an on-site
25 investigation of the applicant, the reasonable cost of which the applicant shall pay. The
26 department shall issue a currency exchange license to an applicant under AS 06.55.201
27 - 06.55.204 if the department finds that all of the following conditions have been
28 fulfilled:

29 (1) the applicant has complied with AS 06.55.202; and

30 (2) the financial condition and responsibility, financial and business
31 experience, character, and general fitness of the applicant, and the competence,

1 experience, character, and general fitness of the executive officers, managers,
 2 directors, and persons in control of the applicant indicate that it is in the interest of the
 3 public to permit the applicant to engage in currency exchange.

4 (b) When an application for an original currency exchange license under
 5 AS 06.55.201 - 06.55.204 is complete, the department shall promptly notify the
 6 applicant in a record of the date on which the application was determined to be
 7 complete, and

8 (1) the department shall approve or deny the application within 120
 9 days after that date; or

10 (2) if the application is not approved or denied within 120 days after
 11 that date,

12 (A) the application is approved; and

13 (B) the department shall issue the currency exchange license
 14 under AS 06.55.201 - 06.55.204 to take effect as of the first business day after
 15 expiration of the period.

16 (c) The department may for good cause extend the application period.

17 (d) An applicant whose application is denied by the department under
 18 AS 06.55.201 - 06.55.204 may appeal, within 30 days after receipt of the notice of the
 19 denial, from the denial and request a hearing.

20 **Sec. 06.55.204. Renewal of license.** (a) A currency exchange licensee shall
 21 pay a biennial renewal fee not later than 30 days before each biennial anniversary of
 22 the issuance of the currency exchange license or, if the last day is not a business day,
 23 on the next business day.

24 (b) A currency exchange licensee under AS 06.55.201 - 06.55.204 shall submit
 25 a renewal report with the renewal fee, in a form and in a medium prescribed by the
 26 department. The renewal report must state or contain

27 (1) a description of each material change in information submitted by
 28 the currency exchange licensee in its original currency exchange license application
 29 that has not been reported to the department on any required report; and

30 (2) a list of the locations in this state where the currency exchange
 31 licensee or an authorized delegate of the currency exchange licensee engages in

1 currency exchange, including mobile locations.

2 (c) If a currency exchange licensee does not file a renewal report and pay its
3 renewal fee by the renewal date or any extension of time granted by the department,
4 the department shall send the currency exchange licensee a notice of suspension.
5 Unless the currency exchange licensee files the report and pays the renewal fee before
6 expiration of 10 days after the notice is sent, the currency exchange license is
7 suspended 10 days after the department sends the notice of suspension.

8 (d) The department for good cause may grant an extension of the renewal date.

9 **Article 3. Authorized Delegates.**

10 **Sec. 06.55.301. Relationship between licensee and authorized delegate. (a)**

11 A contract between a money services licensee and an authorized delegate must require
12 the authorized delegate to operate in full compliance with this chapter. The money
13 services licensee shall furnish in a record to each authorized delegate policies and
14 procedures sufficient for compliance with this chapter.

15 (b) An authorized delegate shall remit all money owing to the money services
16 licensee under the terms of the contract between the money services licensee and the
17 authorized delegate. In this subsection, "remit" means to make direct payments of
18 money to a money services licensee or its representative authorized to receive money
19 or to deposit money in a bank in an account specified by the money services licensee.

20 (c) If a money services license is suspended or revoked or a money services
21 licensee does not renew its money services license, the department shall notify all
22 authorized delegates of the money services licensee whose names are in a record filed
23 with the department of the suspension, revocation, or nonrenewal. After notice is sent
24 or publication is made, an authorized delegate shall immediately cease to provide
25 money services as an authorized delegate of the money services licensee.

26 (d) An authorized delegate may not provide money services outside the scope
27 of activity permissible under the contract between the authorized delegate and the
28 money services licensee, except activity in which the authorized delegate is authorized
29 to engage under AS 06.55.101 - 06.55.204. An authorized delegate of a money
30 services licensee holds in trust for the benefit of the money services licensee all money
31 net of fees received from money transmission.

1 (e) An authorized delegate may not use a subdelegate to conduct money
2 services on behalf of a money services licensee.

3 **Sec. 06.55.302. Unauthorized activities.** A person may not act as an
4 authorized delegate for, or otherwise provide money services on behalf of, a person
5 who does not hold a money services license under this chapter.

6 **Article 4. Examinations, Reports, Records.**

7 **Sec. 06.55.401. Authority to conduct examinations.** (a) The department may
8 conduct an annual examination of a money services licensee or of any of its authorized
9 delegates upon 45 days' notice in a record to the money services licensee.

10 (b) The department may examine a money services licensee or its authorized
11 delegate, at any time, without notice, if the department has reason to believe that the
12 money services licensee or authorized delegate is engaging in an unsafe or unsound
13 practice or has violated or is violating this chapter or a regulation adopted or an order
14 issued under this chapter.

15 (c) If the department concludes that an on-site examination is necessary under
16 (a) of this section, the money services licensee shall pay the reasonable cost of the
17 examination.

18 (d) Information obtained during an examination under this chapter may be
19 disclosed only as provided in AS 06.55.407.

20 **Sec. 06.55.402. Cooperation.** The department may consult and cooperate with
21 other state money services regulators in enforcing and administering this chapter. The
22 department and other state money service regulators may jointly pursue examinations
23 and take other official action that they are otherwise empowered to take.

24 **Sec. 06.55.403. Reports.** (a) A money services licensee shall file with the
25 department within 15 business days any material changes in information provided in a
26 money services licensee's application as prescribed by the department.

27 (b) A money services licensee shall file with the department within 45 days
28 after the end of each fiscal quarter a current list of all authorized delegates and
29 locations in this state where the money services licensee or an authorized delegate of
30 the money services licensee provides money services, including mobile locations. The
31 money services licensee shall state the name and street address of each location and

1 authorized delegate.

2 (c) A money services licensee shall file a report with the department within
3 one business day after the money services licensee has reason to know of the
4 occurrence of any of the following events:

5 (1) the filing of a petition by or against the money services licensee
6 under 11 U.S.C. 101 - 110 (Bankruptcy Code) for bankruptcy or reorganization;

7 (2) the filing of a petition by or against the money services licensee for
8 receivership, the commencement of any other judicial or administrative proceeding for
9 its dissolution or reorganization, or the making of a general assignment for the benefit
10 of its creditors;

11 (3) the commencement of a proceeding to revoke or suspend its money
12 services license in a state or country in which the money services licensee engages in
13 business or is licensed;

14 (4) the cancellation or other impairment of the money services
15 licensee's bond or other security;

16 (5) a charge against or conviction of the money services licensee or of
17 an executive officer, manager, director, or person in control of the money services
18 licensee for a felony; or

19 (6) a charge against or conviction of an authorized delegate for a
20 felony.

21 **Sec. 06.55.404. Change of control.** (a) A money services licensee shall

22 (1) give the department notice in a record of a proposed change of
23 control within 15 days after learning of the proposed change of control;

24 (2) request approval of the acquisition; and

25 (3) submit a nonrefundable fee with the notice.

26 (b) After review of a request for approval under (a) of this section, the
27 department may require the money services licensee to provide additional information
28 concerning the proposed persons in control of the money services licensee. The
29 additional information must be limited to the same types required of the money
30 services licensee or persons in control of the money services licensee as part of its
31 original money services license or renewal application.

1 (c) The department shall approve a request for change of control under (a) of
 2 this section if, after investigation, the department determines that the person or group
 3 of persons requesting approval has the competence, experience, character, and general
 4 fitness to operate the money services licensee or person in control of the money
 5 services licensee in a lawful and proper manner and that the public interest will not be
 6 jeopardized by the change of control.

7 (d) When an application for a change of control under AS 06.55.401 -
 8 06.55.407 is complete, the department shall notify the money services licensee in a
 9 record of the date on which the request was determined to be complete, and

10 (1) the department shall approve or deny the request within 120 days
 11 after that date; or

12 (2) if the request is not approved or denied within 120 days after that
 13 date,

14 (A) the request is approved; and

15 (B) the department shall permit the change of control under this
 16 section, to take effect as of the first business day after expiration of the period.

17 (e) The department, by regulation or order, may exempt a person from any of
 18 the requirements of (a)(2) and (3) of this section if it is in the public interest to exempt
 19 the person.

20 (f) The provisions of (a) of this section do not apply to a public offering of
 21 securities.

22 (g) Before filing a request for approval to acquire control of a money services
 23 licensee or person in control of a money services licensee, a person may request in a
 24 record a determination from the department as to whether the person would be
 25 considered a person in control of a money services licensee upon consummation of a
 26 proposed transaction. If the department determines that the person would not be a
 27 person in control of a money services licensee, the department shall enter an order to
 28 that effect, and the proposed person and transaction are not subject to the requirements
 29 of (a) - (c) of this section.

30 **Sec. 06.55.405. Records.** (a) A money services licensee shall maintain the
 31 following records for determining its compliance with this chapter for at least three

1 years:

2 (1) a record of each payment instrument or stored-value obligation
3 sold;

4 (2) a general ledger posted at least monthly containing all asset,
5 liability, capital, income, and expense accounts;

6 (3) bank statements and bank reconciliation records;

7 (4) records of outstanding payment instruments and stored-value
8 obligations;

9 (5) records of each payment instrument and stored-value obligation
10 paid within the three-year period;

11 (6) a list of the last known names and addresses of all of the money
12 services licensee's authorized delegates; and

13 (7) any other records the department reasonably requires by regulation.

14 (b) The items specified in (a) of this section may be maintained in any form of
15 record.
