ANALYSIS: (Attach a separate page if necessary)

This bill requires the Division of Motor Vehicles (DMV) to physically 'mark' a driver's license or a State issued Identification Card if the holder's privilege to purchase alcohol has been restricted. The DMV today has no direct knowledge of a persons conditions of probation or parole.

Until the number of customers and method of information transmission is ascertained in conjunction with the Alaska Court System, the DMV has no ability to measure the impact this will have on our planned operation. As a result we respectfully submit an 'indeterminate' fiscal note.

Once this information has been established, the DMV will provide a firm estimate of costs incurred and revenue generated as a result.
