**ANALYSIS:** (Attach a separate page if necessary)

This bill grants authority to the Alaska Retirement Management Board (ARMB) to purchase transferable tax credit certificates issued under AS 43.55.023 for 92% of the face value of the certificate and then sell the tax credit certificates to the Department of Revenue under AS 43.55.023(f) for the full face value of the certificate. Proceeds of the sale of tax credit certificates will be applied to the unfunded pension liability of the defined benefit retirement plans for which the board has responsibility. The bill will have no financial impact on the administration of the plans by the DividiRB and result in a zero fiscal note.
