ANALYSIS: (Attach a separate page if necessary)

This bill amends the state's election campaign laws, legislative standards of conduct, public official financial disclosure laws, and the Executive Branch Ethics Act in an effort to require more detailed disclosures from current and former legislators and public officials, restrict public officers' receipt of gifts from lobbyists, and extend existing restrictions on public employees' employment after leaving state service. It is unclear whether these amendments will change the department's workload. The amendments may result in increased assistance to the APOC or executive branch client agencies; however, the budget impact is indeterminable since it is impossible to predict with any certainty how many complaints or questions will arise.
