**ANALYSIS:** (Attach a separate page if necessary)

This bill brings the state into compliance with the Motor Carrier Safety Improvement Act of 1999. Under section 384.401 of the Federal Motor Carrier Safety Regulations (49 CFR 384.401), a state that is not in compliance is subject to the withholding of up to five percent of Federal-aid highway funds that would otherwise be appropriated under 23 U.S.C. section 104(b). This reduction in National Highway System, Surface Transportation Program and Interstate Maintenance funds is estimated to be \$7 million in federal fiscal year (FFY) 2008 (starting October 1, 2007) and \$14 million in FFY 2009 (October 2008). These funds are the most flexible dollars used in the State Transportation Improvement Program (STIP). Additionally failure to come into compliance could result in the loss of the Motor Carrier Safety Assistance Program funding. This would be \$850.0 for FY08 and FY09.
