**ANALYSIS:** (Attach a separate page if necessary)

This bill provides for the Office of Administrative Hearings (OAH) to conduct the hearings in SBS, Deferred Compensation and Health Reimbursement administrative appeals, in addition to the PERS and TRS appeals already heard by OAH. The Division of Retirement and Benefits estimates that this may generate two additional hearings per year. OAH presently has the capacity to handle these cases without increasing personnel. The cost of doing so would be recovered from the division through interagency receipts under OAH's cost allocation plan, based on the time commitment required for the hearings. OAH does not anticipate increased expenditures for its operation due to the addition of these three, low volume case types.
