**ANALYSIS:** (Attach a separate page if necessary)

The bill would amend current statute to further regulate the sale, distribution and shipment of alcohol into damp communities across the state through the creation and use of a statewide database for records of purchase and shipment of alcoholic beverages to persons residing in such communities. It would also authorize the establishment of pilot community distribution sites in Kotzebue and Bethel to be operated by the ABC Board. The bill would also amend provisions of statute addressing the purchase of alcohol.

The Department of Law does not anticipate a fiscal impact from passage of this legislation.
