ANALYSIS: (Attach a separate page if necessary)

This legislation would require railroad employees to be provided a paid leave of absence to make a personal organ or bone marrow donation.

ARRC is a public corporation supported by revenues generated through its freight, passenger and real estate services. Because ARRC does not receive state funding for operations or capital improvements and is operated as an independent state-owned enterprise, the cost to implement this legislation for railroad employees would fall to the Alaska Railroad Corporation and not the State.
