**ANALYSIS:** *(Attach a separate page if necessary)*  
 This bill will expand the crime of failure to register as a sex offender or child kidnapper to include failure to provide notice to the state of the establishment or change of an electronic or messaging address or internet identifier, and it will add to the information that sex offenders and child kidnappers are required to provide as part of the registration process. It is not possible to predict with certainty, but at this time OPA does not anticipate a large number of new cases as a result of this change in the registration requirements. Therefore, the agency submits a zero fiscal note.
