ANALYSIS: (Attach a separate page if necessary)

HB 279 brings Alaska Statutes in line with the changes that were made to the structure of the Department of Health and Social Services pursuant to Executive Order (E.O.) #108, issued by former Governor Murkowski. Under this E.O., certain responsibilities of the Alaska Commission on Aging were transferred to the Department. The changes in department responsibility and the function of the Alaska Commission on Aging were made effective July 1, 2003. Therefore there is no fiscal impact to the department for FY 2009 or any subsequent years.
