ANALYSIS: (Attach a separate page if necessary)

This bill excludes from the definition of "employment" temporary services related to oil spill training and response activities by crewmembers on fishing boats described under 23.20.526(a)(17). The term "temporary" is defined as a period of less than 7 continuous days.

There are no anticipated costs associated with administering this piece of legislation.

Because the exclusion is limited to services performed for a period of less than 7 continuous days, it is believed the loss of revenue into the Unemployment Insurance (UI) Trust Fund would be minimal.
