ANALYSIS: *(Attach a separate page if necessary)*

This legislation establishes the Alaska Housing Trust Fund within the Alaska Housing Finance Corporation. The Housing Trust will serve as a financial structure for receiving money to address the needs of Alaska's homeless and will provide authority to give financial assistance to promote the creation and retention of an adequate supply of affordable housing for low income people. The Governor's FY09 Capital budget includes a request of \$10 million to the Department of Revenue/Alaska Housing Finance Corporation for the Housing Trust.

In addition to the Housing Trust, this legislation creates an advisory council that includes the Commissioner of the Department of Health and Social Services. This legislation has no known fiscal impact to DHSS at this time.
