**ANALYSIS:** (Attach a separate page if necessary)

The court system had a \$10,000 fiscal note on the original parental consent bill that passed the legislature in 1997. Those funds were incorporated into our base budget for personal services. If CSHB 364 passes the legislature the court system would use the funds already available. Should any of those earlier funds have been included in our annual lapsed funds, we would not lapse them in the future.
