HB 364 would amend existing Statutes, the Alaska Rules of Civil Procedure, the Alaska Rules of Appellate Procedure, and Alaska Probate Rules regarding the requirement of parental notice and consent to be given if a person under age 17, who is unmarried, unemancipated, and pregnant, intends to obtain an abortion. The bill prohibits a person from performing an abortion unless the requisite parental notice and consent is provided or the person qualifies for an exception to those requirements. The bill also enacts new provisions of law regarding coercion of a minor who is pregnant and regarding certain reports that must be filed by physicians. If this bill is enacted and challenged there would be indeterminate costs in defense of the State.
