Full-time								
Part-time								
Temporary								

ANALYSIS: (Attach a separate page if necessary)

HB 400 would add a mitigating factor to our sentencing law. It would allow the court to consider, for a person convicted of a drug offense, the mitigating factor that the person sought medical assistance for another person (who was overdosing on drugs) at the same time the crime was committed. The department does not expect a significant fiscal impact as a result of this bill.
