HB 415 will repeal AS 45.25.465(c). This statute requires motor vehicle dealers to make certain disclosures when selling used cars. The language in AS 45.25.465(c) was originally intended to apply only to "current model" used vehicles. In 2006, AS 08.66.015 was amended to delete reference to "current model vehicles" so all motor vehicles are considered either new or used for purposes of application of Alaska's "Lemon Law" and manufacturer warranties. Given other disclosure requirements already required in Alaska and federal law, the requirements of AS 45.25.465(c) are no longer necessary. There should be no fiscal impact to the Department of Law from this bill.
