ANALYSIS: (Attach a separate page if necessary)

This bill requires that dividends received from a limited liability company must be reported as a source of income on a legislator's financial disclosure statement. It also requires that when a legislator performs services, such as consulting services, he or she must provide a description of the services provided and the total number of hours that are spent performing the services. Lastly, it removes the requirement that amount of income need only be disclosed for sources that have a substantial interest in legislative, administrative, or political action. Rather amounts will be required for all income in excess of \$1000.
