Part-time						
Temporary						

**ANALYSIS:** (Attach a separate page if necessary)

This legislation would increase the class of persons required to submit to DNA sampling to include those charged with felony offenses under AS 11. This will likely result in increased litigation regarding the collection of such samples. Therefore, the Agency will be fiscally impacted by this legislation. It is not possible to determine with any precision the amount of this impact. Consequently, the Agency submits an indeterminate fiscal note.

Prepared by: Joshua Fink, Director  
 Division: Office of Public Advocacy  
 Approved by: Rachael Petro, Deputy Commissioner  
 Agency: Administration
