ANALYSIS: (Attach a separate page if necessary)

This proposed legislation reinstates Alaska Longevity Bonus (ALB) payments for individuals who were qualified to receive them before January 1, 1997, and who received a payment in June 2003 when funding for the program ended. This legislation also provides for reapplication to be filed before January 1, 2008.

Federal law governing the administration of the Supplemental Security Income (SSI) program requires the Alaska Longevity Bonus be counted as income when determining federal SSI benefits. Under AS 47.45.122, the ALB Hold Harmless replaces the SSI benefits that are denied.

As the number of recipients decreases, the benefits paid will decrease, as does the Hold Harmless.
