ANALYSIS: (Attach a separate page if necessary)

This bill requires the department to set up and administer a program in which PFD applicants who apply online can assign part or all of their dividend each year to one or more educational, charitable or community foundation organizations. The list of such organizations will be established through an application process according to criteria established in the bill. Appeals are anticipated from organizations whose applications to be listed are denied. The department has been given the estimate of over 2000 organizations that may apply and about 750 that may be eligible. The program will be effective beginning with the 2008 dividend with a temporary application process for that startup year only. Regulations will be done to be effective for the 2009 cycle. The program will sunset after the 2010 dividend. (continued on page 2)
