ANALYSIS: (Attach a separate page if necessary)

This bill would allow a permittee (or operator under contract with an authorizing permittee) to broadcast promotion of a charitable raffle or lottery. The means allowable include radio and television. Anyone who can conduct a raffle would be allowed to promote it by broadcasting via radio or television.

Though the bill language applies to raffles and lotteries, the statutory definition [AS 05.15.690(38)] equates the two, effectively giving two different names to the same activity. Thus, there is no apparent authorization to expand the kinds of gaming activity that can be promoted or conducted.

We do not anticipate any additional costs or revenues as a result of this bill.
