ANALYSIS: (Attach a separate page if necessary)

This bill requires candidates, groups, legislators, public officials, and others to submit required reports electronically; requires legislators and public officials to file financial disclosures after leaving office; requires financial disclosure filers to provide a detailed description about services performed for compensation and about certain income, gifts, and other financial matters; establishes a presumption that an interest of less than \$5000 in a business is an "insignificant" interest for the purposes of the Executive Branch Ethics Act; prohibits gifts from lobbyists to public officers or the immediate family members of public officers; and tightens the restrictions on employment after leaving state service. It is not anticipated that this measure will add to the costs of the Public Offices Commission.
