**ANALYSIS:** (Attach a separate page if necessary)

This bill establishes a new chapter on cigarette fire safety. No cigarette may be sold in Alaska unless it meets specific fire safety standards. The new program will be administered by the State Fire Marshal, and funded by a fee of \$250 for each cigarette submitted for certification. Implementation and enforcement of the chapter is to be paid by the new Fire Prevention and Public Safety Fund funded with appropriations made from the certification fees.

Based on the number of cigarette manufacturers and brands taxed by the state on February 26, 2007, the Department estimates revenues of approximately \$63,500. However, the Division of Fire Prevention does not anticipate additional costs from passage of this bill. The new duties will be handled by existing staff during the normal course of business.
