**ANALYSIS:** (Attach a separate page if necessary)

This bill requires the court to impose, as a special condition of probation, electronic monitoring with GPS tracking for persons convicted of criminal offenses related to gang related activity. This requirement appears to cover the entire period of probation, which may last five to ten years, and does not provide guidance on who would bear the cost. The burden of this additional requirement could impact the negotiation process and affect the litigation and trial rate. It is not possible, however, to determine with any accuracy the potential fiscal impact of this requirement. The Agency, therefore, submits an indeterminate fiscal note.
