POSITIONS

Full-time						
Part-time						
Temporary						

ANALYSIS: (Attach a separate page if necessary)

SB 92 would require the use of an ignition interlock device during the entire length of probation for repeat DUI offenders and first DUI time offenders that have a blood alcohol level over .15 upon arrest. In order for a repeat offender to legally get behind the wheel again, an ignition interlock must be installed.

Passage of this legislation would have no fiscal impact on the Department of Public Safety.

Prepared by: Lt. Rodney Dial
 Division: Division of Alaska State Troopers
 Approved by: Commissioner Walt Monegan
 Agency: Department of Public Safety
