ANALYSIS: *(Attach a separate page if necessary)*
 This bill will amend the current licensure requirements for private professional conservators and guardians so as to eliminate duplicative licenses and fees. This legislation would also impose requirements that public guardians and conservators undergo criminal background checks to determine whether the applicant has been convicted of any crimes of dishonesty within ten years of his or her application, and also require that Public Guardians receive certification from a national guardian/conservatorship organization within one year of employment at OPA. These two requirements are already imposed on private guardians. The costs of the criminal background checks and certification fees will be de minimus, and therefore, OPA submits a zero fiscal note.
