ANALYSIS: (Attach a separate page if necessary)

The bill establishes the Kodiak Narrow Cape Public Use Area. The legislation provides that DNR may prepare and adopt a land management plan under the department existing authority (AS 38.04.065) and manage the area consistent with the purposes established in the legislation.

However, DNR believes that the existing Kodiak Area Plan for State Lands adopted in 2004, in coordination with this legislation, is sufficient to address the current public land use issues in the area. Therefore, a new detailed management plan for the Narrow Cape area will not be required at this time.

Because DNR has no plans to prepare a new management plan specifically for the Kodiak Narrow Cape Public Use Area in the near future it is submitting this "zero" fiscal note.
