ANALYSIS: (Attach a separate page if necessary)

This legislation amends AS 29.35.450 to add two exceptions to the law which requires a public vote before making certain changes to municipal service areas. The first exception states that a subdivision may be added to a service area without a public vote, if the roads provide the only access or are required by subdivision plat, regulation or ordinance. The second exception states that a subdivision may be excluded from a service area without a public vote, if the roads do not provide the only access or are required by subdivision plat, regulation or ordinance.

This legislation will have no fiscal impact on the operations of the division.
