**ANALYSIS:** (Attach a separate page if necessary)

By expanding the time period for the consideration of campaign finance law violations by the Alaska Public Offices Commission from one to four years, this legislation should increase significantly the number of complaints and investigations that the Commission handles. The resulting increase in Commission workload will significantly increase the Department's time advising the staff and the Commission. The Civil Division is requesting one-half attorney IV position to handle this increased case load. It is impossible to predict with any certainty how many complaints will actually result in criminal prosecutions. As a consequence costs for the Criminal Division must be considered indeterminate at this time but may also prove to be significant. Cost of 1/2 time attorney calculated at the Department's Statewide billing rate of \$116.50 per hour times billable hours of 1,475 per year per attorney and covers all associated operational overhead. [1/2 x \$116.50 x 1,475 = \$85,918]
