**ANALYSIS:** (Attach a separate page if necessary)

This legislation will add the requirement of 'legal presence' in the U.S. to obtain a driver's license or ID card. Also, international customers who are lawfully in the U.S. for a limited times will now have an expiration date on the DL/ID that coincides with the date of stay.

The requested FY09 costs are to make major changes in DMV's computer system, ALVIN, to accept the new expiration dates and other verification fields.
