ANALYSIS: (Attach a separate page if necessary)

The bill would facilitate enforcement of alcohol laws in both urban and rural areas. It prohibits sending alcohol in plastic containers to a local option area unless the area has a distribution site; provides for mandatory minimum sentences for bootleggers; adopts a class C felony for a person convicted of bootlegging for the third time in a ten year period; and amends the manslaughter statute to apply to a person who brings alcohol into a community in violation of a local option and a person dies as a direct result of ingesting the alcohol. The department does not expect a significant fiscal impact as a result of this bill.
